Case No. 82-1313-Civ-T-13

OF CALIFORNIA, a/k/a THE
CHURCH OF SCIENTOLOGY OF
CALIFORNIA, INC.,

Defendant.

CALENDARED

O R D E R

This cause comes before the Court upon the defendant's motion for reconsideration of the Court's July 25, 1983 Order. The defendant seeks to stay the Court ordered production of the plaintiff's auditing file. A review of the defendant's lengthy brief in support of its motion reveals that the defendant is simply reiterating in greater detail its initial arguments in opposition to the production of the plaintiff's auditing file. The increased amount of paper can not save the defendant's position. The auditing file is the plaintiff's - not the defendant's. The auditing file is critical to the plaintiff's case and she has a right to have it. Accordingly, the defendant's motion to reconsider is DENIED. The defendant shall comply with
